# About HawkHacks

At HawkHacks, we specialize in bridging the gap between companies and the student community through innovative events and strategic partnerships. Our mission is to foster growth, engagement, and brand loyalty by connecting companies with the next generation of talent and innovation.

## Our Story

Founded by passionate tech enthusiasts, we've grown into a leading organizer of hackathons and tech events, with a strong track record of successful collaborations and impactful results. Our team's diverse expertise ensures that each event is tailored to meet the unique needs of our partners and sponsors.

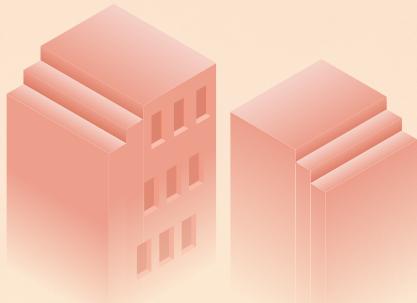

## Some Numbers

**200+ Events Hosted**

**21,153 Total Attendees**

**1,358 Peak Attendance**

**30+ Partnered Universities**

**60,000+ Social Media Reach**

## Interested In...

### Building a Tech Talent Pipeline?

Engage with the brightest minds and future leaders in technology by participating in our events.

### Seeing Projects Created on Your Platform?

Foster innovation and creativity by having students and professionals use your products in hackathons and workshops.

### Gaining Exposure at Large-Scale Events?

Increase your brand visibility and reach a wider audience through sponsorships and partnerships.

## Our Strengths

### A Proven Track Record

With over 150 successful events, including HawkHacks, the Laurier Computing Society, and the Computing Councils of Canada, our experience speaks for itself.

### A Vast Network

Collaborations with organizations like Hackathons Canada, WeCracked, and the Computing Councils of Canada give us unparalleled access to a broad and engaged audience.

### Engaging Workshops and Initiatives

Our events feature a wide range of topics, from blockchain and AI to open-source development, ensuring participants are always learning and growing.

# Our Services

## Event Planning & Hosting
